FOOD GLORIOUS FOOD

Here at LUX* we understand that resort living in the Maldives can be an insular affair, and staying on the same island for your entire vacation can easily become routine. Case in point, food.

LUX* South Ari Atoll is not only one of the largest island resorts in the Maldives but we are also the only resort to offer 7 fabulous restaurants on one island. We believe that 'take it or leave it' shouldn't be the only two choices on the menu - so we give you perhaps the most precious gift of all - choice.

BEACH ROUGE

We are proud to present Beach Rouge - the only fully fledged beach club in the Maldives. Daytime chilled tunes accompany light bites and cool drinks enticing you to linger before taking your front row sunset seat. After dusk, a floating dance floor set out at sea with unique seating areas provide the ultimate place to party and enjoy the best in cocktails and service. Beach Rouge is without doubt the place to see and be seen in the Maldives.

LUX* EXCURSIONS

FISHING

Catch and cook! What better way to discover the joys of fishing than out on the stunning waters of the Maldives. Take in the breathtaking sunrise or sunset, and cook up your fresh haul at the end of the day.

SUNSET CRUISE

Choose your drink as you book and set out on a traditional Dhoni Boat, to enjoy one of the most photographed sunsets in the world right before your eyes.

FULL DAY EXCURSION

Hop on one of the traditional Maldivian Dhoni Boats and cruise around the Atoll for some incredible snorkelling before visiting a local village and savour an island-made picnic.

TURTLE DISCOVERY SNORKELING

Join our marine biologist on a thrilling snorkeling trip to the coral reefs to snorkel with friendly turtles. You get to name one too!

WHALE SHARK EXPERIENCE

Board our traditional Dhoni complete with resident marine biologist and excursion host who will guide you to an up close and personal swim with the biggest fish on earth. You'll hear tales of the whale shark from our in-house specialist as part of the experience and enjoy refreshments on board before heading back to the resort where we present you with personal photo souvenirs from your trip.

Celebrate this once-in-a-lifetime moment in style on return to the LUX* arrival jetty with a glass of Pop Cap. Whilst we are fortunate to be located in the prime spot for Whale Shark watching, this exclusive excursion operated by the resort's Marine Biology Centre offers you a unique money back guarantee - if you don't see one, you don't pay. (Every Saturday, weather permitting)

FLYBOARDING

The ultimate water sport for the adrenaline junkie: challenge yourself and master your balance to perform a full 360° mini-flight around the lagoon!
